Please tell Us if You are not satisfied with the authorised repairs.

1.6 PAY BY INSTALMENTS

You can choose to pay the Fee in instalments to help spread Your payment over time by one of two methods.

- Independent Third-Party Provider; or
- Monthly Payments by Administered Subscription

Independent Third-Party Provider

Please note this facility is not part of the Product Terms and Conditions as it is an additional service. Additional administration charges may apply to use this facility; therefore, the cost may be more than if You choose to pay the full Fee by a single payment. The third-party provider, if required, will provide any disclosure documentation for Your perusal and acceptance if You select this payment option.

The following additional conditions apply using the independent third-party provider pay-by-instalments option:

- If You are paying by instalments and an instalment remains unpaid for 14 days or more, without notice to or arrangement with the third-party provider, We may refuse a Claim.
- If You have an authorised Claim during the pay-by-instalment term, We may, after giving notice to You, deduct any outstanding instalments from the Claim amount We authorise.
- If You transfer the Product to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Product can be transferred. For all Transfer details, (Section 1.8) see below.
- If You fail to make a payment or repayment of the Instalment Plan in full by the due date the provider may, at its absolute discretion, charge a late fee proportionate to the additional fees and administrative duties applicable to the transaction.

Monthly Payments by Administered Subscription

The payment model is offered by Us and is a subscription model where you pay monthly instalments.

The following additional conditions apply using the pay-by-instalments option:

- You must ensure that Your first and any subsequent instalment Fee payments are made by the due dates. You are responsible for paying any outstanding Fee if we authorise Your claim.
- If You are paying by instalments and an instalment remains unpaid for 14 days or more, We may refuse a Claim.

- If an instalment payment is not paid, we will send You a missed payment notification, which informs You of Our intention to cancel the Product if it remains unpaid. After 3 attempts to seek payment (each attempt takes approximately 7 days), the Product is cancelled automatically based on the final missed payment notification.
- If You transfer the Product to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Product can be transferred. For all Transfer details, (Section 1.8) see below.
- If the Product is cancelled for any reason, a cancellation fee of \$100.00 will be incurred. This fee covers administrative, and processing costs associated with the cancellation.

Deductions from Your claim

If You make an authorised Claim during a pay-by-instalment period, the outstanding balance of Your Instalment Plan must be paid in full before We can proceed with authorising the Claim.

If prior arrangements have been agreed in writing, We may instead deduct any unpaid Fee, including any overdue instalments, from the authorised Claim amount.

Dishonoured payments

If any instalment payment is dishonoured or reversed for any reason, You remain responsible for the unpaid instalment and any fees or charges applied by Us or our payment service provider in connection with the dishonour.

Where permitted by law, We may recover all such dishonoured payment fees as part of the Instalment Plan and may require these amounts to be paid before a Claim is authorised or deduct them from an authorised Claim amount.

How We Calculate Your Refund if You Cancel Early (Rule of 78)

If You cancel Your Product before the end of the term, We use an industry-standard method called the **Rule of 78** to work out how much of Your Fee has been “used” and how much We can refund to You.

What the Rule of 78 Means

The Rule of 78 assumes that more of the Fee is used in the earlier months of Your coverage. There are **no extra administration fees built into this method**, but it does mean Your refund reduces more quickly at the start of the policy.

How It Works

For a 12-month policy, the months are given weights that add up to 78.

Month 1 has the highest weight, and Month 12 has the lowest.

- Month 1 uses **12/78ths** of the Fee
- Month 2 uses **11/78ths**
- Month 3 uses **10/78ths**, and so on

When You cancel, We add up the weights for the months You have already been covered. This tells Us how much of Your Fee has been “earned”. The rest is the amount We refund to You (less any approved cancellation fee in Your Product Documentation).

Example

If Your Fee is **\$1,200 for 12 months** and You cancel after **3 months**:

- Months used: $12 + 11 + 10 = 33/78$ ths of the Fee
- Earned Fee: $33/78 \times \$1,200 = \507.69
- Refundable amount: $45/78 \times \$1,200 = \692.31
- If a cancellation fee applies, it is deducted from the refundable amount.
- If there is any outstanding dishonoured fees, they will be deducted from the refundable amount.

SECTION 3: PRIVACY, COMPLAINT AND TAXATION DISCLOSURES & THE AUSTRALIAN CONSUMER LAW.

3.1 IF YOU DON'T TELL US SOMETHING

If You do not tell Us anything You are required to tell Us, We may cancel Your Product or reduce the amount We will pay You if You make a Claim, or both. If Your failure to tell Us is fraudulent, We may refuse to pay a Claim and treat the Product as if it never existed.

Generally, Your Fees are not tax-deductible and Claims payments are not assessable income for tax purposes unless You purchase Your Product for business purposes. This taxation information is a general statement only. You should seek professional taxation advice for information about Your personal circumstances.

3.10 GOODS AND SERVICES TAX (GST)

Any Claim payments made under the Product will be based on GST-inclusive costs, up to the relevant maximum amount that We pay. However, if You are or would be entitled to claim any input tax credit for any of the things covered, We will reduce any Claim under the Product by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST.

You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

3.13 SUMMARY OF RIGHTS AND REMEDIES UNDER THE ACL

The protection afforded to You under this Product is in addition to and does not substitute for, or reduce the rights You have under the Australian Consumer Law (ACL). If and to the extent that You have a right to claim under the ACL, You may also need to Claim under Your Product when not covered by the ACL.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ('Consumer Guarantees') at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the age, cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer's Warranty for the Motor Vehicle or this Product. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Motor Vehicles may also have an additional Statutory Warranty. The provisions of such warranties vary from State to State. Any Statutory Warranty may be in addition to or overlap the ACL and may also operate concurrently with the ACL.

3.14 ADDITIONAL BENEFITS UNDER THIS MECHANICAL & ELECTRICAL BREAKDOWN WARRANTY NOT AVAILABLE UNDER THE ACL

We appreciate that You may want the certainty of knowing that if the Motor Vehicle You buy is faulty, it is covered for specific events and a specific time period.

When You purchase this Product You are obtaining certainty as to the period of coverage and the remedy You will receive and the convenience of having the repair and/or replacement process efficiently managed for You by Xtreme Administration and work undertaken by one of Our Approved Repairer.

You will be entitled to the benefits set out in this Product that are not available under the ACL which, subject to the terms and conditions of the Product, are:
